

Handmade Rug

JUTE + COTTON

CARE & CLEANING

Natural variations in color and texture of jute & cotton, in different parts of the rug adds to its beauty an authenticity. Please do not pull the cotton/Jute strips and kindly avoid using a vacuum cleaner.

Please do not soak the rug in any liquid.

Please keep away from sharp objects, hot surfaces, and open fire places.

Please clean the rug gently using a soft clean cloth as and when required. If the rug becomes soiled lie the rug flat on the surface to dry.

A natural odor of jute can occur which is natural and not hazardous.

Do not pull out any loose ends trim with a pair of scissors.

Use rug protectors under the legs of heavy furniture to avoid flattening of the pile.

The rug may not lie flat immediately when taken out from the polybag but will settle down over a period of time.

Slight variation in appearance is a natural characteristic of the handmade articles.
